## Free Workforce Training

Community Access is excited to announce [ThriveAtWork](#), a free training program that will support hundreds of peers (people who have used mental health services) to leverage their lived experience into a meaningful career helping others. Modeled after our nationally-recognized [Howie the Harp](#) peer training program, ThriveAtWork will offer new training sessions that support peer certification and career development.

We welcome participants with a broad range of personal and professional backgrounds. Training schedules are free, flexible, and include evening options.

ThriveAtWork offers training for New Yorkers who have:

- Used mental health services or supports and are interested in a meaningful career using their experiences to help others, and/or
- Previously graduated from a peer training program, or have worked/ volunteered as a peer, and want to become a NYS Certified Peer Specialist
- A high school diploma or equivalent and residency in NYC

Join us in this exciting new training opportunity, and transform your mental health experience into a rewarding career!
