

## Regional Planning Consortium Town Hall: Improve Medicaid Mental Health and Substance Use Services in NYC

Please join **Deputy Mayor Herminia Palacio** and **Executive Deputy Commissioner for Mental Hygiene Gary Belkin** for a town hall.

Learn how you can be part of the NYC Regional Planning Consortium and its efforts to make the behavioral health transition to Medicaid managed care a success. Your Regional Planning Consortium's third bi-annual Town Hall is an opportunity for all stakeholders to give their input and recommendations on this transition. There will be a live audience commentary and Q&A at the event.

**This event is free and open to the public.**

**Individuals currently receiving Medicaid are encouraged to attend!**

**Date:** Friday, May 12, 2017
