2017 marks the 20th anniversary of the *Recipient Associate Managers*, in partnership with OMH-Buffalo Psychiatric Center. I am seeking former RAMs to contact me to help plan our celebration as well as touch base to share your story as a RAM and your life after involvement as a RAM.

Initial planning committee to begin in mid-December with more significant plans underway in January.

Tentative date for celebration is Spring 2017. Please call or email me if you are a former RAM or if you know of a former RAM, please encourage them to contact me.
