

## ***FREE two-day seminar on how to quickly get approval for SSI, SSDI, Medicaid, and other entitlement programs.***

Many people with disabilities wait years before they are determined to be eligible for benefits. This **free** OMH seminar will show you that, with the correct documentation, it should take no more than **90 days** to get approved. This seminar will also teach you how to:

- Request a waiver for an **overpayment**.
- Avoid **spend-downs**.
- Use Social Security **work incentives** to help **maintain SSI and SSDI eligibility** as you explore returning to work.
- Ease off cash benefits and into **self-sufficiency**.
- Work full-time and maintain low cost (or even no-cost) **health insurance**.
- Get expedited **reinstatement** of benefits.

IRWE, PASS plans, Section 301, and 1619b are some of the other underused mechanisms that will be covered. This seminar is for people with any type of disability, however, the main focus will be for people with mental health disabilities.

**Friday, April 6, 2018, from 8:45 a.m. to 2:00 p.m.**
