

Trauma Informed Care Training

April 10, 2018 from 1:00 pm to 4:30 pm

Syracuse Behavioral Health Training Institute

**Co-Facilitated by Office of Consumer Affairs Director, Tony Trahan
and Regional Advocacy Specialist, Garrett Smith – OMH**

Now more than ever, we know that trauma affects all of us. Our health care system is responding by fully integrating knowledge about trauma into policy, procedures, practices and settings.

This training teaches participants to ask a different question. It's not "What's wrong with you?", it's "What's happened to you?"

This 3.5-hour training includes:

- The definition and impact of trauma
- The components of Trauma-Informed Care
- Strategies to enhance Trauma-Informed Care including the importance of language
- Potential paths for healing

**Location: Syracuse Behavioral Health Training Institute, 4567
Crossroads Park Drive Liverpool, NY 13088**
