Lexington Center for Recovery is one of the largest providers of alcoholism and substance abuse treatment in the Hudson Valley. With outpatient treatment centers throughout the region, we have served more than 50,000 people since our establishment in 1982 and have 18 distinct programs throughout Dutchess, Rockland and Westchester Counties.

Lexington Center for Recovery Mission Statement

To assure that the needs of individuals, families and those in the community affected by addiction are addressed through a holistic approach to recovery, with the recognition that healing comes within a loving circle of support. We provide innovative programming to address the daunting challenges facing this population. We strive to provide quality community-based services to those affected by addiction no matter when or where the need arises.
