

RECOVERY COACH ACADEMY™ 30 Hr. CCAR Training

Recovery Coach Academy™ Training:

This 30 hr. internationally recognized CCAR Recovery Coach Academy™ is the gold standard for Recovery Coach (RC) Training. It serves as the foundational knowledge for NYS Recovery Coach Certification (see below). It is here where the exciting and transformational RC concepts are shared and embraced, and where valuable “lived experience” meets core principles of respect, collaboration, motivation and multiple pathways of recovery.

“This training exceeded my expectations!! Content was useful in more ways than I can count. Lori & Keith are an absolutely dynamic training duo, Thank you!”

- Jennifer Faringer, Director, NCADD-RA

NEW YORK STATE PEER & RECOVERY COACH CERTIFICATION

For more information on the Certified Recovery Peer Advocate (CRPA) and the Certified Addiction Recovery Coach (CARC) certifications, please log onto:

Workshop Facilitators: Lori Drescher, CARC, RCP; & Keith Greer, LCSW, PCC, PRC

Lori and Keith are professional coaches, recovery advocates and facilitators who bring a combined 55 years of professional and lived experience to their creative and influential work with individuals, families and organizations. They enjoy a reputation as highly knowledgeable and passionate speakers who bring a sense of authenticity, warmth and humor to their interactive trainings. Together with OASAS, NYASAP & FOR-NY their goal is to train hundreds of qualified Peer Recovery Coaches to help support the critical transition from treatment to sustained recovery.
