

Peer Group Facilitator - Job Description

Peer support group facilitators create a space for individuals to gain support, share their challenges in a safe environment and learn wellness tools. Peer group facilitators encourage self-determination, keep the group focused, and work to inspire hope for recovery.

- Lived experience with mental health disorders, and able to share enough of personal experience with recovery for group members to be able to relate to you as a peer and equal.
- Knowledge of Suffolk County Mental Health and Substance Use Disorder System
- Experience with active listening and conflict resolution
- Knowledge of Wellness Recovery Action Plan (WRAP) and how to use Wellness Tools preferred
- One year of effective group facilitation practice preferred
- Must be willing to work days, evenings/weekends (occasional daytime hours for supervision or team meetings)

Currently looking to start the following Groups:

- Recovery Support Group (Facilitator should have substance use disorder & mental health experience)- Interest in becoming a facilitator for Smart Recovery a plus; This will not be a 12 step group
- Male and Female Adult Support Group in Long Island Jails (Facilitator should have mental health & jail experience)

Those looking to apply can send their resume and cover letter to Michelle Revello

Note: HALI is an equal opportunity employer

Job Types: F/T- Exempt

Experience:

- Effective group facilitation practice preferred: 1 year (Preferred)
- Living in mental health recovery: 1 year (Required)

Hours per week: 35

This job will require you to pass a background check: Yes

Overtime often available: No
