

Motivational Interviewing

Spirit, Skills and Practice
October 4, 2019 ~ 9-4pm

Course Objectives: Participants will demonstrate and practice the MI Skills and Spirit. Motivational Interviewing interventions that promote safe and trusting environment for those we journey with. At a deeper level, we will look at how the “way of being” of Motivational Interviewing can enhance the staff’s professional development and, in that growth, the engagement of the people they serve.

Certificate for 6 CASAC Credits will be provided.
