Please see the email below from Melissa Wettengel
in regards to the
Bi-County Empowerment Conference on
Friday, December 20th from 8:00 am - 12:00 pm.
I hope to see you there!

This year's Empowerment Conference comes with a dash of holiday cheer!

The Bi-County Empowerment Conference is an annual supportive gathering organized by - and for - people who have experienced trauma, disconnection, and/or extreme emotional or altered states. Now in its 26th year, the Conference allows for the sharing of our stories and of alternative recovery modalities. This year's continental breakfast event, "My Life, My Voice, My Choice: What If...?" will explore new possibilities for our connection, independence, and joy.

Join us on Friday **December 20, 8AM-12PM** at the Melville Marriott (note lunch will not be served). **Registration is required - please no walk ins.** Admission is \$40, but scholarships are available for people with lived experience and/or low income. Free registration for staff transporting attendees. See registration link for details.

For more info and to register online, click here. Prefer to fax your registration? **Registration form attached.**
