

Call for Proposals

Supervision of Peer Workforce Conference

SHARE! the Self-Help And Recovery Exchange invites you to submit proposals for the Supervision of Peer Workforce Conference. This conference will bring together leading researchers, practitioners, and administrators to share best practices for the supervision and delivery of peer services.

Academics, students, researchers, scientists, supervisors, administrators, peer workers, community members and others will work together to improve the delivery of Peer Services in the mental health system and share what we have learned and where we need to learn more.

Conference abstracts, presentations and papers will be compiled as Proceedings that will be shared electronically with all participants and sponsors, including the Los Angeles County Department of Mental Health and the State of California Office of Statewide Planning and Development.

The conference is free and will be held Wednesday March 25, 2020 in Los Angeles, CA.

Formats for submissions include roundtables, symposia and oral presentations. To submit a proposal, please visit our [website](#).

Deadline for submission is January 15, 2020.
