Join us in Albany for **FAMILY EMPOWERMENT DAY** and **MAKE YOUR VOICE HEARD!**

- Network with other families and young people with lived experience.
- Hear powerful speakers and awardees.
- Engage with legislators and government officials.
- Learn about important policy issues and get involved!
- Discover how you can make a difference in your community!

For over a decade, hundreds of families, youth and advocates from across the state have gathered every year in Albany to deliver a crucial message to our state leaders: ***put children and families first.***

This year, we return to Albany to remind our elected officials that budgets are a moral document and children are our future. Together, we will demand that the state budget reflects that.
