There's only one week left for New York State and national Senior-Level Management behavioral health nonprofit leaders to register to join our **NYAPRS Leadership Institute!**

The Institute is designed and directed by nationally acclaimed expert **Edye Schwartz** with a single focus on assisting current, new and upcoming executives and senior managers to acquire and hone the knowledge, competencies and skills that are essential to guiding an organization through these challenging times.

The Institute runs from this February to July and offers a mix of

- **12 virtual small group knowledge building sessions**, held twice monthly, to help you build and strengthen your knowledge of the tasks of good leadership and management.
- **12 individualized video coaching sessions** with your own personal coach, held twice monthly
- **6 monthly group support sessions** where enrollees will network, share best practices and learn from experts as well as each other

Our expert team includes:

- Institute Director and Coach **Edye Schwartz, DSW, LCSW-R**
- One-On-One Coaches
  - **Dr. Amy Kohn, DSW**
  - **Ruth Colón-Wagner, LMSW**
  - **Daniella Labate-Covelli, MSW**

**Don't miss this very unique opportunity to help you shift from a good leader to a GREAT LEADER!**

See below for full information, costs, discounts and opportunities to register. **Please sign up now-Registration will close in a week!**

# THE LEADERSHIP

INSTITUTE

*Where Good Leaders become Great!*

*The NYAPRS Leadership Institute is an integral part of our national technical assistance available for management staff of behavioral health organizations. The Leadership Institute is a 6-month course designed to provide executive staff and their upper level management with the knowledge and skills to create and sustain a successful nonprofit organization. Through this Institute, you will acquire and hone your management competencies to set your organization apart in an increasingly competitive environment.*

WHO SHOULD ENROLL? CEO's, and Executive Directors, COO's and Deputy Directors, Division Directors and other upper level managers as well as staff who show potential for moving into these positions.

TOPICS? Strategic Planning, Internal and External Communication, Human Resource Management, Fiscal Management, Program and Revenue Development, Boundaries, Balance, and Personal Well-Being.

WHAT DO YOU GET? For this 6-month course, we will provide various approaches that support adult learning while also keeping in mind your limited availability. These include:

- 12 One-on-One Coaching sessions
- 6 "live" Knowledge Building sessions
- 6 Monthly Group calls facilitated by the Institute Director
- Unlimited access to topic specific resources
- Web-based platform to access all recorded activities

## INSTITUTE DIRECTOR

Edye Schwartz, DSW, LCSW-R: Dr. Schwartz has 35 years of leadership and management experience in behavioral health. She leads local and national T/TA on transforming to a recovery-based service system, the impact of health reform, integrating behavioral and physical health care, and leadership and excellence in administration. Previously, Dr. Schwartz was Executive Director for Putnam Family and Community Services (PFCS), a community behavioral healthcare agency in the Hudson Valley, New York. Dr. Schwartz serves as Subject Matter Expert on Organizational Management on state and national initiatives.
