 Value Based Care for Behavioral Health

Free Self-Paced Webinar Series Sponsored by Value Based Care for Behavioral Health, Powered by Qualifacts CareLogic

Many behavioral health organizations are seeking a pathway as they enter into Value-Based Reimbursement models. You may be in the initial phase of deciding whether VBR is right for you, or you may be in the stages of preparing your organization infrastructure for this new model. This recorded Webinar series will help you more effectively work with payers and develop service lines to deliver better value for your clients and the communities that you serve.

These free Webinar sessions can be viewed according to your own schedule:

The Drivers Shaping The Movement To A Value-Based Contracting Business Model

Thriving With Managed Care: Organizational Competencies & Best Practices For Succeeding With Managed Care

Are You Ready For Value-Based Reimbursement? An Executive Guide For Assessing Readiness In A Value-Based Market

Bridging The Gap Between Data & Data-Driven Performance

Are You Ready for Value-Based Reimbursement? A Case Study Presentation
