

Office of Mental Health

Survey of People Receiving Services and their Families **If you are a peer advocate or supporter, you can help!**

The Office of Mental Health is conducting a survey to help us better understand the impact of COVID-19 in our community. The results from this survey will be included in a briefing document for executive leadership at the Office of Mental Health. Your input is critical to help us understand the needs of the community and help us prioritize policy and program decisions. The survey is anonymous. We are looking for responses from **people who receive services from OMH programs and their family members.**

We recognize that some people may have trouble accessing the survey, so we're asking service providers and advocates to reach out to individuals and families and complete the survey on their behalf.

The survey will close on Monday, May 18th at 9:00 am.

If language or translation services are needed, please contact Matt Canuteson, Diversity & Inclusion Officer, Matthew.Canuteson@omh.ny.gov

Link to the survey: <https://www.surveymonkey.com/r/QLLM5DW>

You can access printed versions of the survey (English and Spanish) to read to people or for people to give their answers over the phone. The number for the Office of Consumer Affairs to participate in the survey over the phone is 518.473.6579
