

NYC Virtual Job Fair (June 9, 2020)

Employer Sign Up Deadline: May 25

NYC Peer Workforce Coalition (www.peerworkforcecoalition.org) will be hosting a Peer Worker (CRPA, CPS, etc.) Virtual Job Fair, Tuesday, June 9th. The event will be held on the Zoom platform for this 100% virtual event. More technical information as well as a demonstration will follow in the coming weeks.

The mission of the event is to make sure that Peer Workers have an opportunity, even during social distancing requirements of COVID-19, to interview with top employers who are currently hiring. Our goal is to facilitate a match between employers/opportunities and qualified Certified Recovery Peer Advocates (CRPA) and Certified Peer Specialists (CPS).

This would be a free opportunity for your organization to interview qualified candidates for the position(s) you have open. If you are interested in participating, please complete this [survey](#) no later than close of business, Monday, May 25th. Note: We may have to limit the number of employers who participate, so employer spots are first come, first served. If you have a separate recruiter, please include that person's name in the [survey](#).

If you have any questions, please contact event Co-Chairperson, Crystal Small at csmallpwc@gmail.com or (917) 543-1549.

Best regards,
