Hi all,

It has been an extraordinarily busy few weeks for us at the Academy! But here is a brief update, with more news coming next week.

Reminder – Join Us at the Conference and Digital Job Fair!

The 4th Annual New York Peer Specialist Certification Board Conference and Digital Job Fair is happening now! (Nov 9, 12, 17, and 19 – from 10:00 am – 3:00 pm each day). The Academy of Peer Services is hosting several sessions, and the Virtual Learning Community organized the Digital Job Fair with over 40 exhibitors, many with job openings for peer support specialists.

- If you are looking for work, this is a great place to connect with hiring employers!
- If you are a hiring employer, this is a great place to connect with qualified applicants!

Even if you are not able to attend the conference or job fair we have posted over 50 openings from employers.

Check the Virtual Community Job Bank for these postings and the new statewide Open Jobs report that allows you to view openings by region, title, and employer.
